Parent Teacher Organization Signature Fundraiser

PURPOSE: To raise money for school-based year-round items such as classroom materials & equipment, teacher requests, playground equipment, school activities, and student support items.

FUNDRAISER: This year we hope to raise enough money to sponsor an all-school family literacy project and provide teachers with grants for educational items they can use in their classrooms. Last year we raised over \$16,000 and purchased new library furniture that is easy to clean. We also funded the Reflex Math fact fluency program for all students, books for the library, and much more!

GOAL: Our school-wide goal is \$10,000 to continue making our school amazing with additional resources! Your donations help us fulfill our purpose of creating the best possible learning experience for each child at Horizon.

Please return form to school week of October 19-23
